**RECORD OF INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is to record matters discussed during the May 12, 2009 telephonic interview among Examiner Neil S. Levy and Applicant's representative Deborah Lu (Attorney, Reg. No. 50,940). Examiner Levy is thanked for the many courtesies extended during the interview.

Examiner Levy indicated that the rejection is maintained in view of a new reference by Alig (U.S. Patent No. 6,265,430), which allegedly shows the claimed thioamide. Applicants have made every effort to follow Examiner Levy's helpful suggestions to put the application in condition for allowance.

Accordingly, a summary and record of the interview is provided herewith.

No fee is believed to be due, however the Commissioner is authorized to charge any additional fees or credit any overpayment for this application to Deposit Account No. 50-0320.

Respectfully submitted,  
FROMMER LAWRENCE & HAUG LLP
